

HS 152 Japanese Language for Beginners:

Course Policy

Instructor: Sweta Mistry

Course objectives: To build the foundation of Japanese language for basic communication.

Learning outcomes:

1. Identify Japanese alphabet; Hiragana, Katakana and Kanji, including pronunciations, writing and reading.
2. Introduce yourself confidently (name, nationality, occupation, origin, etc.)
3. Identify and describe objects using demonstratives and possession.
4. Ask and answer location-based questions (e.g., “Where is the station?”)
5. Form of simple sentences with particles to express direction, location and companionship.
6. Engage in short, polite conversations with greetings, questions and answers in Japanese

Evaluation criteria:

1. End sem Exam-30%
2. Project & Viva- 30%
3. Quizzes– 25%
4. Attendance – 15%

Text Book & Kanji Book

Minna no Nihongo as Text Book , Nihongo Chelengi for Kanji.

Learning Material:

All the material including class-notes explaining the course contents, exercise books, supplementary readings will be uploaded on Google classroom. Students are requested to go through all the shared material for their own benefit.

Note -

Class Activities will be given in almost every class. They are expected to be completed/solved by the next lecture.

Students are expected to attend all lectures and participate in the lectures actively. They have to be punctual, attentive and refrain from doing other things while the class is going on. If you need to take a leave on the same day, please send a leave application via email in advance or before the end of the day, and

attach relevant documentation as proof. **Any late**

submissions without a valid reason and evidence will not be allowed. Late submission of any assignment would deduct your marks by 50%

Subject: Leave Request for Class (Course on "Dates")

Any leave requests made verbally or through WhatsApp will not be recognized.
